FOR IMMEDIATE RELEASE

800 North, Orem goes to One-lane Traffic May 15-19 from 10:00 pm – 6:00 am

OREM-Traffic using 800 North at the mouth of Provo Canyon in Orem, near the Provo Canyon Trail parking lot will be down to one lane traffic during the week of May 15-19 from 10:00 pm to 6:00 am while crews perform work for the new Olmsted Hydroelectric Replacement Project.

The lower half of the Provo Canyon Trail parking lot will also be closed during those hours.

Updates on the history, project and construction progress of the new hydroelectric plant is available on our Help and Information line at 385-250-4780, online at olmstedhydro.com or on our Facebook page.
